## SMASHING OPPOSITION

The ACT Junior Open concluded last week with some pleasing results for the IAS tennis squad.

Stella Crick (pictured) led the way for the squad by winning the girls 14 years doubles title as well as making the semi finals of the singles.

Also reaching the semi finals of their retrospective age categories were, Gabby Hooker, Rochelle Morris, Bryce Hoerning, and Jack Swindells. There were two wins for the Academy squad in the consolation draws.

Gabby Hooker blitzed her opponent to win the girls 16 years consolation final and MacKenzie Edwards won the boys 14 years final after a tight three set win in the semi final.

Another tournament with IAS involvement was the Gosford Anzac Open and Junior event. Dael McKenna and Rachel Frezza, made the trip up and competed well above their age category in the girls under 18's.

Frezza lost in the round of 16, in the singles and the quarter finals of the doubles, whilst McKenna lost in the quarter finals of both the singles and doubles.

Both girls then backed up last Friday to compete in the Sydney Twilight series at Olympic Park. This was an open event and incredibly they were drawn to play each other in round one. McKenna prevailed 6-4; 7-6, then lost to the 8<sup>th</sup> seed in the next round.

## TOURING TO WIN

The Gwen French Memorial two day tour was held at Wagga Wagga last weekend. A number of the Academy's cycling squad braved the cold conditions to compete.

Jackson Law (pictured) was the standout performer winning the under 17 category. After easily winning the opening time trial, Law then finished in the bunch in the remaining three road races.

In the same category, Tirian McManus finished third and Caleb Ewan fifth. New cyclist, Bree Jones, was the best of the females finishing sixth in the girls under 17's.

## DUO IN NSW TEAM

The NSW under 18 team to play against the ACT under 18 team was announced last week. Two members of the Warilla Bowls sponsored program gained selection.

Sarah Boddington (pictured) is in the girls team whilst Kyle Johannes is in the boys. This event will take place at Queanbeyan on May 24th and 25th.

In other news, new scholarship holder Kaitlin Shaw, had a busy month of competition. First up, Shaw represented her school in the CHS triples, winning one of three games. Then she teamed with another newcomer Daniel Hiscox at the Asquith tournament, placing 5<sup>th</sup> after winning three of their five games.

Now her focus will be on her upcoming club singles and a few CHS events. Stephanie Hili, also played at Asquith and did well to place third in the pairs category.

## MIXED SUCCESS

Two graduates of the BlueScope steel cricket program were part of the Bankstown squad that won the Sydney women's first grade competition title.

Carly Ryan and Lucie Beattie (pictured), both played first grade throughout the year. Although Beattie missed out on selection in the final, Ryan played a strong hand in opening the innings and scored 22 before being run out.

As it turned out, this score was the second highest of the match, as her team finished with 9 for 115 off 38 overs. Bankstown then bowled out the St George team for 48, to be crowned premiers. In the second grade final there were six academy graduates in the team; Kimberly Abbott, Lucie Beattie, Amy Boyd, Courtney Brown, Sheree Robinson and Rachel Martin.

Unfortunately for them, the lead match was cancelled due to wet weather and as the St George team finished above them on the points table, they were declared the winners.
